

PLEDGE TO PROTECT SIESTA KEY

Save Our Siesta Sands 2 is ready to fight to protect Siesta Key, navigability of Big Pass and our property values. We need your support to sustain a credible legal challenge.

We intend to stop the Army Corps of Engineers from dredging Big Pass and the shoal that protects Siesta Key. To do this, we need to be ready to legally challenge the project, when the Florida Department of Environmental Protection (FDEP) issues a permit to begin dredging. [Hundreds of individuals and organizations have already contributed.](#) Their donations have made it possible for SOSS2 to begin the initial preparation of a lawsuit so we are ready to file within the short window of 21 days after the permit is issued. When the permits are granted we will need to have significant additional funds to sustain our legal action. Please pledge a donation today. We will only collect those pledges when FDEP issues a permit.

Please do your part and pledge today. The environmental and economic health of Siesta Key along with our property values are at risk.

I pledge to donate \$ _____ to SOSS2 if and when the Florida Department of Environmental Protection issues their intent to permit the Army Corps of Engineers to dredge Big Pass and the shoal that protects and renourishes Siesta Key.

Please fill out and mail your pledge card to SOSS2, 5300 Ocean Blvd. STE 201, Sarasota, FL 34242.
Alternatively you can email your pledge to SOSS2@earthlink.net.
